

CORAL SPRINGS CHRISTIAN ACADEMY

GIRLS BASKETBALL

BACKGROUND AND VISION:

My name is Lamar Calhoun and I am from Pittsburgh, PA. I am married to my loving wife Dayna, and we have a very active three year old daughter named Alana. I attended West Virginia University where I graduated with my degree in Liberal Arts. I am currently working on my last semester at Florida Atlantic University. I am looking forward to completing my Master's degree in Instructional Technology. I moved to Florida from Pittsburgh 7 years ago. I spent the last 7 years at Calvary Christian Academy where I spent 4 years coaching boy's varsity and junior varsity, and the last 3 years with the varsity and junior varsity girls. My vision is to Glorify, esteem and show Jesus Christ in each aspect of a participant's performance. Create an atmosphere for basketball where participants have the opportunity to compete at the highest level possible. We want to encourage each player to play relentlessly, selflessly, and thoughtfully. Treat opponents, officials and opposing fans graciously and respectfully. Value honorable character traits and a good reputation. Character overcomes talent in the long run.

Prov. 22:1 -- "A good name is to be more desired than great riches, favor is better than silver and gold."

"We are what we repeatedly do. Excellence then is not an act, but a habit." -- Aristotle

CSCA also has a team for middle school and elementary girls. The coaches are John Alfano and Teri Severine.

Key Dates:
